WINTER - SPRING 2019 • February 25 - June 14

The FASNY After-School Programs Mission

Serve a growing portion of FASNY families where both parents work by offering safe, fun, affordable and flexible childcare solutions before and after the school day but also during the school breaks.

Expand the bilingual experience outside of the classroom, giving our students more opportunities to use the target language doing something they really enjoy. That emotional dimension to language acquisition is sometimes key to getting them on board and helping them see the relevance of the educational project that we, parents, have for them. Yes, model making in French or the cool science club in English can make a difference!

Offer students and now parents (we have adult classes) more social opportunities to know each other, the teachers and interact outside of the classroom in French and in English.

That is our mission and what we thrive for every day: we hope your child will find many enrichment opportunities outside of the classroom through our programs: linguistic enrichment of course, but also cultural, emotional and social.

Cordialement,

Agnès Ndiaye Tounkara

La mission des programmes extrascolaires de la FASNY

Offrir aux parents des solutions de garde, attractives en coût et en qualité mais aussi flexibles, avant et après l'école mais aussi pendant les vacances scolaires.

Prolonger l'expérience bilingue unique de la FASNY après que l'école soit finie en donnant aux élèves l'opportunité d'utiliser la langue cible dans des activités ludiques, qui leur plaisent. Participer à un club de science, d'échecs ou de sports en anglais peut faire la différence

Offrir aux élèves et aussi à vous parents (avec des classes pour adultes) un espace autre que la salle de classe pour se faire des amis et interagir en anglais ou en français.

C'est notre mission et notre ambition: nous espérons que votre enfant trouve dans nos programmes extrascolaires de nombreuses opportunités de s'enrichir en dehors de la salle de classe, non seulement dans l'acquisition du français ou de l'anglais mais aussi et surtout culturellement, émotionnellement et socialement, à travers les nombreuses rencontres qu'il(elle) fera après l'école.

Cordialement,

Agnès Ndiaye Tounkara

MINIMUM ENROLLMENT

There is a minimum enrollment of five (5) students per class; if less than five students sign up, we reserve the right to cancel the class or raise the tuition. All clubs have maximum enrollment; please register early to guarantee a spot.

INCLEMENT WEATHER

All After-School Program activities on all campuses are canceled if the Mamaroneck School District is closed due to inclement weather. Classes canceled because of severe weather conditions won't be refunded; we will try as much as possible to schedule catch up sessions. If weather conditions become severe later in the day, check the FASNY website at www.fasny.org.
